Reflection Workbook

Close the year properly. Start the next one on purpose.

How to use this workbook

1. Block 2 hours, or 4 short sessions of 30 minutes.
2. Phone away. Pen, tea, a quiet corner.
3. Short answers are fine. Honest beats pretty.
4. Part 1 looks back at 2026. Part 2 plans 2027.
5. Come back to the 2027 pages at the start of each quarter.
